Re: Modification #47 relating to addition of RfG derogation process to the D Code

Dear Paul,

I refer to the ESB Networks correspondence to CRU of 6 October 2020 seeking approval of Distribution Code modification #47, as recommended at the Distribution Code Review Panel meeting of 1 September 2020.

The CRU is satisfied that ESB Networks has recommended this modification for approval by the CRU in accordance with the relevant provisions set out in the Distribution Code for the handling of revisions and that the views of stakeholders have been adequately considered and addressed.

Having considered the modification and its supporting documentation the CRU approves this modification and directs ESB Networks to revise the Distribution Code which shall be deemed to be amended accordingly from the date of this letter.

Yours sincerely,
